

Training & Resource Centre (TARC)

It's a planned venue

In order to survive in the long run, this venue is currently being rented out to various social, commercial, business, government and non-government organizations

This training center is located in a pleasant environment surrounded by green nature which is 7-9 kilometers far from Jashore Town. Currently, various NGOs, government organizations, corporate company, and social organizations hire this venue for arranging various events.

Rural Reconstruction Foundation established Training and Resource Center on 07 November 1991 at Ramanagar of Jahore Sadar Upazill in Jashore district. This is absolutely a planned venue which essence is to create skill human resource for social development, to assist small NGO and poor community people through training activities and conduct different types of researches. But context has been changed nowadays based on current global and domestic circumstances. It moved for bigger horizon of service providing activities inserting corporate attachment. In order to survive in the long run, this venue is currently being rented out to various social, commercial, business, government and non-government organizations. Infrastructure, management strategies of this venue are being managed on a corporate basis.
