

RRF Organized Staff Gathering to Motivate the Staffs & Increase Mobility

The Rural Reconstruction Foundation (RRF) recently organized a staff gathering in the Jashore and Rajshahi zones. This event brought together a large number of staff members from various locations to create a sense of unity and camaraderie among them.

The purpose of the staff gathering was to provide an opportunity for the RRF employees to come together, exchange ideas and celebrate their achievements. It aimed to foster a stronger team spirit and enhance collaboration among the staff members who work in different branches.

During the event, lots of activities were taken place. Top management gave their valuable speech & direction to the staff. It was a day long program. The great staffs were awarded by the management with crest & honorarium. It motivated the staffs to increase mobility. The event was ended with a cultural program.

It was not only provided a platform for knowledge sharing and learning but also strengthened the bonds within the organization.
