

RESILIENT HOMESTEAD AND LIVELIHOOD SUPPORT TO THE VULNERABLE COASTAL PEOPLE OF BANGLADESH (RHL)

13

CLIMATE ACTION

NEW ARRIVAL

The Resilient Homestead and Livelihood Support to the Vulnerable Coastal people of Bangladesh Projects aims to enhance the resilience of targeted people to climate change through adopting and practicing adaptive activities in the Project Area. With the support of PKSF, RRF is implementing this project in the Morelganj Upazila of Bagerhat district has been selected based on exposure, vulnerability and feasibility of crab hatchery. They will be able to identify the impacts of climate change on their lives and livelihoods and prepare plans for addressing those impacts through climate change adaptation groups (“CCAGs”). Aligning the stated specific objectives, the Project will construct climate resilient homesteads for the most vulnerable households, Climate adaptive farming technologies e.g., crab fattening along with mangrove tree plantation, Sheep/goat rearing, household-based agriculture etc. The project follows agriculture and food security sector guidelines while designing climate resilient livelihoods.

Key Activities:

- Climate resilient homesteads constructed.
- Traditional farming practices climate proofed.
- Community-based farmed crab supply chain created.
- Climate change adaptation groups (CCAG) formed and operationalized.
- Capacity built among IEs and relevant institutions apprised on project
- Knowledge products prepared and disseminated.

Area Coverage: Morelganj, Bagerhat

07 Union

(Nishanbaria, Jiodhara, Bohorbunia, Hoglapasha, Hoglabunia, Panchokoron, Chingrakhali Union)
